

Delta Sigma Pi
Event Conduct Agreement

Attending a Delta Sigma Pi event is a privilege. While we promote social activity, we need to always remember that we are representatives of Delta Sigma Pi and as such we should conduct ourselves in a professional and respectful manner.

Therefore, I hereby acknowledge and commit to the following as a condition of my attendance at this LEAD event:

- I understand that Delta Sigma Pi is sharing this venue with other patrons and I will act in a respectful and courteous manner in both public and private spaces.
- I will refrain from any activity that creates a nuisance; for example slamming doors, noisy rooms or hanging/loitering in the hallways or other public areas. If I am involved in any such behavior, I accept that I may be asked to leave the property.
- I will comply with all state, federal and local laws and with the directions of the Fraternity leaders and/or hotel or venue personnel, including law enforcement or security officers.
- I will furnish truthful information, including valid identification, upon request to Fraternity leaders and/or hotel or venue personnel, including law enforcement or security officers.
- I will provide my hotel and room number upon request to any venue security personnel, National Board of Directors member, Regional Vice President or Central Office Staff Member.
- I understand I am responsible for the actions and behavior of any persons that I permit access to my hotel room.
- I understand and will abide by all provisions of Delta Sigma Pi's Risk Management and Conduct Policy.

I understand that my failure to comply with any of the above may result in my personal liability for hotel damages; financial responsibility for compensated rooms; and/or Fraternal disciplinary actions, at a local or national level – which may include but are not limited to trials resulting in reprimands, fines, probation, suspension and expulsion.
